Brand Story

A Thai herbal wellness brand rooted in 200-year-old palm-leaf manuscript formulas — from hair to body and skin — brought to life through modern extraction science.

Brand Philosophy

Where ancient Thai manuscript wisdom meets modern scientific proof. **Authentic. Nature. Effective.**

Key Strengths

Thai Herbal Heritage

200-year formulas from the Khoi palm-leaf manuscripts

Dual Extraction Technology

preserving each herb's full bioactive profile

Premium Northern Thai Herbs

from local farmers in Chiang Mai, Lampang, Mae Hong Son

GMP-Certified Manufacturing

2,000 sq.m. facility in Chiang Mai

Vision

To bring the full wisdom of Thai herbal manuscripts into modern life — across hair, body, and facial care — trusted worldwide.

Mission

To translate ancient Thai herbal knowledge into products that genuinely work — supporting local Northern Thai farmers, extracted with precision, and proven by science.

AloEx Organic Original Shampoo

An anti-hair loss shampoo formulated with over 15 premium herbal extracts — including aloe vera, soapberry, and kaffir lime — to cleanse oily scalps, control excess sebum, and stimulate stronger, fuller hair growth.

Key benefits:

- **Stimulates new hair growth** at the follicle level
- **Strengthens and thickens** every strand for fuller-looking hair
- **Controls excess oil** and balances sebum production
- **Reduces bacterial buildup** for a cleaner, healthier scalp
- **Maintains optimal scalp moisture** — clean without dryness
- **Powered by 15+ Thai herbal extracts,** including aloe vera, soapberry, and kaffir lime

Target user: Ideal for those experiencing hair loss or thinning, combined with oily hair and scalp, and easily sweaty or humid conditions

AloEx Everyday Organic Shampoo - Floral Sunshine

SKU code
885 7124254 62 6

Size/volume: 395 ml.
Category: Shampoo
Packaging: Bottle
MOQ: ....

A daily-use organic anti-hair loss shampoo crafted for silky-smooth, manageable hair — without silicones. Infused with 22+ herbal extracts and 6+ natural oils, designed to gently cleanse and care for all hair and scalp types every day.

Key benefits:

- **Reduces hair loss** and strengthens hair roots
- **Delivers silicone-free softness —** smooth, tangle-free hair comparable to silicone-based formulas
- **Suitable for daily use** without drying or stripping the scalp
- **Maintains scalp moisture balance** — never too oily, never too dry
- **Powered by 22+ herbal extracts,** including safflower, rice bran, aloe vera, argan oil, and butterfly pea
- **Enriched with 6+ natural essential oils** — including rosemary, lemon, lavender, and ylang ylang — for a calming, floral aromatherapy experience
- **Free from SLS, SLES, sulfates, alcohol, silicones, and parabens**

Target user: Anyone seeking a gentle daily shampoo that fights hair loss while maintaining softness, those who want silicone-free, sulfate-free, paraben-free hair care.

Technical Information (For B2B)

Key ingredients: Safflower, Argan Oil, Ylang Ylang

How to use:

1. Wet hair thoroughly with warm water
2. Apply a small amount of shampoo to the scalp.
3. Gently massage in circular motions for 1–2 minutes to activate herbal extracts and stimulate circulation.
4. Rinse thoroughly.

AloEx Organic Body Scrub Citrus Lavender Bloom

A rich cream scrub that evolves into a velvety foam—delivering irritation-free resurfacing paired with professional-grade therapeutic aromatherapy.

Key benefits:

- **Cream-to-Lather Technology —** a 28% glycerin moisture base transforms into a dense, velvet-like lather on contact with water
- **Frictionless Scrubbing —** spherical silica beads combined with creamy foam exfoliate without micro-tears or irritation
- **Physical Exfoliation —** micro-beads gently sweep away dead surface skin cells
- **Chemical Exfoliation —** natural Tamarind AHA dissolves the cellular "glue" between dead skin for deeper renewal and radiance
- **Brightening —** Indian Gooseberry (Amla), a vitamin C superfruit, and Tamarind visibly diminish dullness
- **Intense Calming —** Plu Kaow (Fish Mint), Turmeric, and Sea Holly soothe and neutralize post-exfoliation redness

Target user: Designed for **high-end spas, 4–5 star hotels, and home spa enthusiasts**

SKU code

Powered by **organic argan oil and shea butter, niacinamide, multi-molecular hyaluronic acid**, and a blend of Thai herbal extracts to deeply hydrate, brighten, and revitalize the skin — finished with a signature sweet aroma of lavender, rosemary, eucalyptus, and citrus essential oils for a long-lasting mood lift.

Key benefits:

- **Deeply hydrates** and softens with shea butter and multi-molecular hyaluronic acid
- **Brightens** and evens tone with niacinamide, turmeric, and tamarind
- **Nourishes and protects** with organic argan oil
- **Soothes and calms** with Thai herbal extracts
- **Signature sweet Happy Day aroma** that lingers for hours
- **Light, cooling finish f**or an instant spa-like sensation
- **Organic and gentle —** safe for daily, full-body use

Target user: For anyone seeking a **spa-quality body lotion** that brightens, hydrates, and uplifts the senses — perfect for dry skin, dull complexions, or anyone who loves a sweet, comforting fragrance.

Technical Information (For B2B)

Key ingredients: Argan Oil, Shea Butter, Niacinamide, Hyaluronic Acid

How to use: Apply generously to clean, dry skin and massage gently until fully absorbed. Best used immediately after showering to lock in moisture.

Shelf life: 2 Years

Competitive Advantages

A rare combination of 200-year Thai herbal heritage and modern scientific precision. AloEx stands apart through:

- A proprietary formulation that directly targets Dihydrotestosterone (DHT) — addressing hair loss at its root cause.

- An exclusive legacy rooted in the Khoi Manuscripts, offering an authentic story that cannot be replicated.

- Full vertical integration — from herb cultivation in Thailand to in-house manufacturing — ensuring consistent quality and competitive pricing

Factory Capability

- **2,000 sq.m. GMP-certified manufacturing facility** located in Chiang Mai, Thailand.
- Equipped with **advanced steam distillation technology** to extract high-potency essential oils while preserving each herb's bioactive integrity.
- Scalable production capacity ready to support **OEM, ODM, and private-label partnerships.**
- Reliable lead times and flexible MOQ to support distributors of every size.

Certified with FDA, GMP, ISO

- **GMP-certified** processes from raw material intake to finished product.
- Premium herbs **carefully selected from trusted farms** in Chiang Mai, Lampang, and Mae Hong Son — the most fertile regions for medicinal botanicals in Thailand.
- Every batch is subject to rigorous quality checks to ensure **consistency, safety, and efficacy.**
- Full traceability **from herb to bottle.**

R&D Strength

- A unique R&D approach that blends **200 years of ancestral herbal wisdom** with modern formulation science.
- Continuous innovation in **botanical extraction** — evolving traditional grinding and boiling techniques into advanced steam distillation.
- A formulation team dedicated to **scientifically validated, results-driven products** for hair loss, scalp health, and natural wellness.
- Capability to **co-develop** custom formulations tailored to regional market needs.

AloEx

EXPORT EXPERIENCE

- Established export presence across **ASEAN markets**
- Proven understanding of **regional consumer preferences** and regulatory landscapes.
- Experience in **cross-border logistics, documentation, and labeling compliance.**
- Long-term partnerships built on trust, reliability, and consistent product performance.
